

## FREE ONLINE COURSES

Some excellent courses that are relevant and useful for interpreters... and everyone else too!

### [Coursera](#)

I took the Science of Wellbeing course taught by Yale University Professor Laurie Santos and it was great!

*Every course on Coursera is taught by top instructors from world-class universities and companies, so you can learn something new anytime, anywhere. Hundreds of **free courses** give you access to on-demand video lectures, homework exercises, and community discussion forums. Paid courses provide additional quizzes and projects as well as a shareable Course Certificate upon completion.*

### [The Khan Academy](#)

Students of The Interpreter's Lab that have taken the Interpreting in Healthcare Settings, will know about the Khan Academy. Free courses, self-directed study on so many topics and for so many age ranges. It's wonderful

*Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom. We tackle math, science, computer programming, history, art history, economics, and more.*

### [The Centre for Addictions and Mental Health - CAMH](#)

Once again, students of our Interpreting in Mental Health Settings will recognize CAMH online courses. *CAMH is Canada's largest mental health teaching hospital and one of the world's leading research centres in its field.*

*CAMH offers continuing mental health education for professionals in all fields. This is a great time to boost your knowledge of the Canadian mental health system, terminology or mental health conditions and treatments.*
